

What is Music4TOTS?

Music4TOTS is a stepping stone for children who are expressing interest in music but may be too young to begin learning an instrument like voice, piano, ukulele, or guitar.

Fun for All!

Classes incorporate singing, dancing, practicing rhythms, playing with and exploring new instruments and sounds, reading music books, being silly and having so much fun!

Instrument Petting Zoo

Many classes include an Instrument Petting Zoo! This is a fun, interactive session where students get to see, hear, and touch a variety of different instruments! We even make our own instruments using recycled materials!

Why Music?

Making music is something you can do anytime at any place. Music making is a great way to make new friends and can help you feel better when you're feeling angry or sad. But most of all, **MUSIC IS FUN!**

EARLY MUSIC EDUCATION

music+life®

...we play it, we love it, we have fun with it!

Music's Effect on Academic Success

- Enhances fine motor skills
- Prepares the brain for achievement
- Intellectual development
- Cultivates better thinking skills
- Boosts math and reading achievement
- Attention and concentration
- Physical development and health
- Positive mindset
- Equips students to be creative
- Supports better study habits and self-esteem

Brain Development

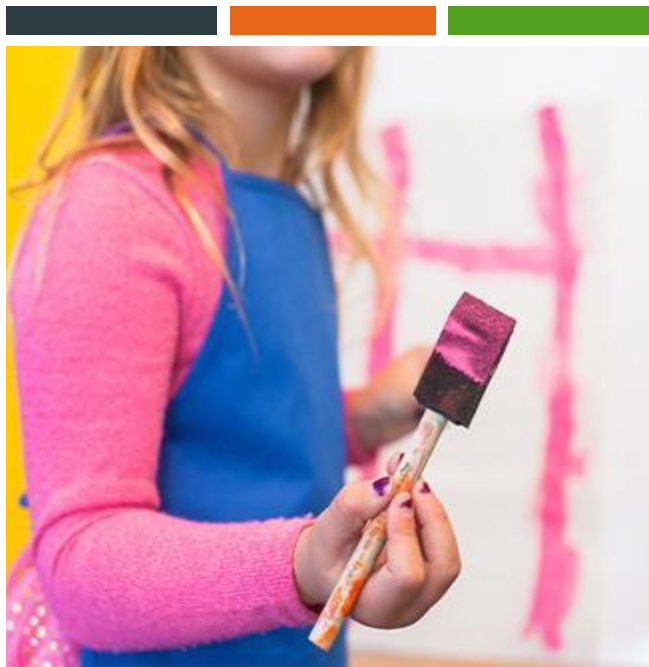

Studies have shown that music study and training increases connections in the brain.

Listening to music at any age is beneficial, which can result in personal satisfaction and positive brain functioning.

Maximum benefits are attained when music training begins before the age of 7 years.

Monday-Friday A.M. classes

We are happy to come to your daycare/preschool or classes are available at our North Liberty location.

“Music gives a soul to the universe, wings to the mind, flight to the imagination, and life to everything.”

- Plato

Classes for Ages 1-6
